

Position: Certified Peer Support Specialist

POSITION SUMMARY

The CareLink Certified Peer Support Specialist is a current or former consumer of mental health and/or substance abuse services who has been trained and certified by the State of New Mexico to be able to provide recovery-oriented training, education and support to individuals receiving behavioral health services.

POSITION RESPONSIBILITIES

1. Educates or trains peers in groups or individually on the hope and principles of recovery, the nature of the disorder, medications prescribed, etc.
2. Works with clients/patients to identify the factors most important to his/her own recovery and encourages participation in their treatment.
3. Collaborates and coordinates with appropriate health professionals, the treatment team and the client/patient in providing correct information for clients with questions or concerns related to the nature of the disorder, the medications they are taking and participation in their treatment planning.
4. Assists clients/patients in building community supports. Attends recovery education orientation trainings which may include, for example: Wellness Recovery Action Plan (WRAP) Training, WRAP facilitator training, Peer Support Training, state sponsored trainings in leadership, consumer employment, etc.
5. Performs care coordination duties as required.
6. Understands and maintains HIPAA and 42CFR Part 2 confidentiality standards relative to Hidalgo Medical Services.
7. Exhibits professional and caring manner with clients, patients and families.
8. The delivery of quality services and positive interaction with all our customers, internal and external, is critical to the completion of all the tasks within this job description, and thus the employee is responsible for establishing and maintaining interpersonal relationships with patients, visitors and HMS employees in a courteous, respectful and professional manner. Guidelines include all HMS policies and procedures and the guidelines and code of ethics of any appropriate professional association.
9. Performs and/or coordinates other special assignments and tasks, as required by the CareLink Clinical Director.

MINIMUM QUALIFICATIONS

- Must be at least 18 years old.
- Be a high school graduate or have a General Educational Degree (GED).
- Language requirement: English
- Must self-identify as a current or former consumer of mental health and/or substance use disorder services.
- Must have demonstrated mental health or substance abuse recovery of two years and can provide written certification.
- Certification as a Certified Peer Support Specialist through the approved state of New Mexico certification program. Or, must obtain certification within 6 months of employment and maintain the certification throughout employment.
