

**Position: Health Educator**

**POSITION SUMMARY**

Under the supervision of the Bridges to Wellness (B2W) Integrated Care Manager, works to reduce and prevent health risks typically incurred in the population of eligible patients, by managing prevention and health promotion activities to enrolled patients of B2W, while also identifying relevant gaps in services or a continuum of care.

**POSITION RESPONSIBILITIES**

1. Promote the use of evidence-based health promotion and disease prevention educational activities, including collaborating with integrated care teams to ensure the team members are aware of the programs available, and to collect information of the needs perceived by the integrated care teams.
2. Use evidence-based interventions to deliver health promotion programs, disease prevention programs, and overall wellness activities, including but not limited to: Nutrition and Exercise for Wellness and Recovery (NEW-R) and Whole Health Action Management (WHAM).
3. Interact with all customers (patients and other members of the HMS team) with attention to Trauma Informed Care, utilizing Motivational Interviewing techniques as appropriate.
4. Track and report participation and outcomes of prevention, health promotion, and disease management programs delivered.
5. Actively participate in quality improvement programs based on the interventions delivered.
6. Document all client contacts in the electronic health record, logging such notes within 48 hours of the contact.
7. Understand and maintain HIPAA and 42CFR Part 2 confidentiality standards relative to Hidalgo Medical Services.
8. Exhibit professional and caring manner with clients, patients and families.
9. Perform and/or coordinate other special assignments and tasks, as required by the B2W Integrated Care Manager.

**MINIMUM QUALIFICATIONS**

- High School Diploma
- Effective verbal and written communication skills
- Experience working with the eligible population of potential clients.
- Language requirement: English
